Town			
City		Post Code	

I hereby acknowledge the Terms and Conditions of the EThekwini Water and Sanitation Document Copy of which has been provided to me. I am aware of the Prerequisite Criteria required to be complied with, and approved by, EThekwini Water and Sanitation (EWS) prior to installation of the Prepaid Water Measuring Devices on my property(s).

I further acknowledge that Ekhwesi Energy has fully explained the requirements for a successful application to EWS and should EWS Inspectors find my installation of these Prepaid Devices as being Non-Compliant (and require the Devices to be removed), Ekhwesi will not be held responsible for any of the costs associated with the Purchase of the Devices and/or Removal Costs.

All Water Meters registered on EasyPay will incur a 10% Landlord Fee and Rates will be charged in accordance with the Municipality Bill.

I confirm that all the requirements will be attended at my earliest convenience.
